

Ben Rydzewski
Outside Plant Operations Manager

Ben Rydzewski has worked in the telecommunications industry since 2007. He began his career as an Installer with a national cable company. In 2016 he transitioned to a fiber optic contractor as a Splicer, then Splicing Manager, and later a Project Manager for multiple Fiber to the Home projects in New York and Pennsylvania.

Mr. Rydzewski was a New York State Emergency Medical Technician for 14 years. He also served on the Board of Directors and became VP of Operations at Greece Volunteer Ambulance in Rochester, NY.
